Professional Background

Alberto is the founding member of Transfer Pricing Advisory.

More than 20 years in transfer pricing services; previous experience includes transfer pricing and international taxation since 1999, within the transfer pricing practices of Ernst & Young, Deloitte Touche Tohmatsu, and Transfer Pricing Associates, Milan.

He lectured transfer pricing and tax effective supply chain management at Foundation CUOA, Vicenza (Master in Integrated Business Management, MBA, Master in Supply Chain Management) and lectured at some specialised conferences and seminars in Italy and abroad.

Alberto is a Chartered Accountant (Dottore Commercialista) and an Accountant Auditor (Revisore Contabile) in Italy.

Alberto is member of IFA (International Fiscal Association).

Alberto holds a master degree in International and Italian Tax Law from Infor, attended an executive evening program in Corporate Finance at Bocconi University, Milan, and holds a bachelor degree in Business and Economics from the Università Cattolica, Milan.

Proven Track Record

Deals with numerous tax effective supply chain management projects involving global Multinational Enterprises, obtaining significant tax savings and optimization/simplification of processes.

Alberto has assisted more than 300 Multinational Enterprises documenting global transfer pricing policies for products, services, and intellectual property, involving up to 40 Countries.

Capabilities

Assisting European-based and global clients in designing, implementing, and documenting transfer pricing systems (i.e. regional management head offices charges, manufacturing, distribution, R&D, procurement, finance, guarantees, cash pooling, licensing structures).

Alberto has worked in a wide variety of industries, including fashion-luxury, machinery & equipment, pharmaceutical & biotech, energy, oil & gas, gaming & betting, entertainment, automotive, food & beverage, ATM, semiconductor, banking & finance, asset management, real estate, and software.

Professional assistance and personal support to numerous clients in Transfer Pricing audits.

Transfer pricing and managerial accounting experience with both large Multinational Enterprises, as well as medium-sized and family owned Italian enterprises.
